When the weight of the world seems  
Like it's on your shoulders, bogging you down  
When you feel like you're stuck in one place  
And you just can't move it around

When it seems like you're so backed up  
Into a corner that there's no way out, no  
Just remember that you've got a friend  
Who's watching and He knows all about  
So you gotta let it go y'all

Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go

When you've shed so many tears  
Until you just can't cry, no more  
When your confidence is gone  
And of yourself, you're not very sure

When you're at your lowest point  
And you just wish it all would end  
Just remember that you're not alone  
And you can always turn to Him  
You gotta, you gotta

Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go

When you've done all that you can do  
And yet it's still too much to bear  
Then it's time to turn it over  
To the only one who knows ya  
Better than you know yourself

Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go

Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go  
Give it up, gotta let it go

Oh, put your mind to ease  
Don't worry about these things  
Let it go, go, go, go, go, go  
Let it go y'all
