In the morning you'll be alright
In the morning the sun's gonna shine
In the morning no clouds in the sky
When it's dark in your light just wait for the
Daylight
Someone tell me what's wrong
Why my nights last so long
It's gettin' hard to believe
You can hear me
Then you give me a sign
That You heard me pray
You let me know
This stormy night won't last always
'Cause in the morning you'll be alright (Oh, you'll
Be)
In the morning the sun's gonna shine (Shine, shine,
Yeah, yeah)
In the morning no clouds in the sky (No clouds in the
Sky)
When it's dark in (Dark in) your light (Your light)
Just wait for the daylight
So many ups and downs
You don't know where to start
So many nights you cried
Life was breakin' your heart
It may seem real hard
Ain't no help inside
But don't you worry
About it tonight, no
'Cause in the morning you'll be alright {You're gonna
Be alright, yeah}
In the morning the sun's gonna shine {Yes, it will,
Yeah}
In the morning no clouds in the sky [Oh...ho...yeah}
When it's dark in your light just wait for the
Daylight {Light}
In the morning you'll be alright {Yeah}
In the morning the sun's gonna shine (Sun's gonna
Shine again, oh)
In the morning no clouds in the sky (You don't have to
Worry, no)
When it's dark in your light just wait for the

Daylight (Daylight)
There's gonna be a day
It's gonna get cloudy
You can't see clear {You can't see clearly, no}
But don't you stop prayin'
Prayin' for the day
When the sun will shine (Shine) again
{Ooh...ooh...ooh...}
In the morning you'll be alright {It's gonna be
Alright, y'all}
In the morning the sun's gonna shine (The sun is gonna
Shine)
In the morning no clouds in the sky (Uh-huh)
When it's dark in your light just wait for the
Daylight
In the morning you'll be alright {You'll be alright,
Yes, you will, yeah}
In the morning the sun's gonna shine (The sun is gonna
Shine again, oh)
In the morning no clouds in the sky {No clouds in the
Sky}
When it's dark in your light just wait for the
Daylight
In the morning you'll be alright {I know you will be
Alright}
In the morning the sun's gonna shine {It's gonna
Shine}
In the morning {Yeah} no clouds in the sky {No, no}
When it's dark in your light just wait for the
Daylight {Wait on it, wait, wait}
It'll be (It'll be) alright (Alright)
Just wait a while (Wait a while) and check it out in
The morning (Check it out in the morning)
Check it out in the morning
(Oh...oh...oh...oh...oh...)
In the morning no clouds in the sky (No clouds in the
Sky)
When it's dark in your light just wait for the
Daylight
