One two, one two, one
One two, one two, T get off my stuff
I'm not playing man, alright
You gonna take this one, alright

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

Oh how I wonder when my soul looks black
How I ever made it through my sinful, wicked past
I did everything that I thought I wanted till it brought me
down
Then God reached out to me, so I'm here to tell you
now

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

I've seen the bottom of the mountain, I've had my
share of pain
I've been through so many struggles, thought I'd never
breathe again
So I prayed that God would help me, I couldn't handle it
no more
Then he lifted every burden and that's why I get joy
yeah

I get joy, joy thinking about

What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done, I'm talking about
I get joy just thinking about
What He's done for me

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me

It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me

You don't know like I know
What He's done for me yeah

You don't know like I know
What He's done for me yeah
Oh I get, talking about it
What he's done for me, I get joy, joy yeah

I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me
It's in my hands, my feet, I'm talking about
What He's done for me
