Seems like I should run away
'Cause life is hittin' me in the face, ay, ay
But I'm here and I'll never surrender to fear
Retreating, be defeated, no way 'cause I can't, I can't

'Cause I can see it, I'm getting closer
The hardest part of it is almost over
And now I'm stronger, I'm a fighter
And only victory can satisfy this hunger

I'll never wave my flag, never wave my
I'll never wave my flag, never wave my
I'll never wave my flag, never wave my
I'll never wave my flag, never wave my

Oh, I'll be holding on
Oh, I'll keep holding
Never wave my flag, never

Seems like I should run away
'Cause life is hitting me in the face, my face, my face
But I'm so focused and I'm so driven
I gotta make the best out of this life for living
Can't be the winner if I surrender, I won't surrender, I
can't surrender

I'll never wave my flag, never wave my
I'll never wave my flag, never wave my
I'll never wave my flag, never wave my
I'll never wave my flag, never wave my

Oh, I'll be holding on
Oh, I'll keep holding
Never wave my flag, never

I realize this is the day
'Cause I no longer feel afraid
I keep fighting through the pain
'Cause I know something's gonna change

I see the haters standing around
So I know I gotta make a count

Get ready for war, I'm standing the ground
No matter the score, I'll never back down

I'll never wave my
(Never wave my flag, never wave)
I'll never wave my
(Wave my flag, never wave)

I'll never wave my
(Wave my flag, never wave)
I'll never wave, wave, wave
(Wave my flag, never wave)

Oh, I'll be holding on
Oh, I'll keep holding
Oh, I'll be holding on
Oh, I'll keep holding
Never wave my flag, no

Seems like I should run away
'Cause life is hitting me in the face
Not today, not today
