I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps loving me so much

There are so many people I look up to  
Used to tell them I wanna be just like you  
Then God took ordinary me and gave me a chance  
And everyday I gotta thank Him for where I am 'cause

I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps loving me so much

I looked in the mirror, I saw average  
You looked down from Heaven, you saw a gift  
Still can't figure out why you loved me so  
But that's what makes You God, I'll never know 'cause

I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps loving me so much

I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps loving me so much

Listen to me, I can tell you how it goes  
God can take a nobody who no one knows  
Make 'em more than you ever could be  
Ask me how I know, He did it for me

I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps loving me so much

I'm just ordinary people  
Who found extraordinary love

Sometimes it's hard to believe  
That God keeps loving me so much
