Think of your fellow man
Lend him a helping hand
Put a little love in your heart
You see it's getting late
Oh, please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you (for you)
And me (and me)
You just wait (just wait)
And see yeah

Another day goes by
Still the children cry
Put a little love in your heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world (and the world) will be a better place
And the world (all the world) will be a better place
For you (for you)
And me (and me)
You just wait (just wait)
And see, just wait and see

Take a good look around
And if you're looking down
Put a little love in your heart
I hope when you decide
Kindness will be your guide
Put a little love in your heart

And the world (and the world) will be a better place
And the world (and the world) will be a better place
For you (for you)
And me (and me)
You just wait (just wait)
And see

Everybody
Put a little love in your heart
Put a little love in your heart
Take a little time after today
Put a little love in your heart
Everybody needs a little love
Put a little love in your heart
Put a little love in your heart
Yeah, somebody needs a little love
Yes you do
Put a little love yeah
Ohh ohh yeah yeah
Put a little love in your heart
We all need just a little love
Put a little love in your heart
Everybody needs just a little love
Put a little love in your heart
Come on everybody
Put a little love in your heart
