It was once upon a time not long ago
Lived a little black boy in the middle of the ghetto
Pretty good kid but he always found trouble
In the city life it ain't hard to find trouble

No income in the home you find struggle
2 years struggling it's no puzzle
He hit the block hard and found him a hustle
Burned the wrong bridge and now he needs muscle

He tried to let it go but the streets don't forgive
I guess they ain't heard of 'live and let live'
But after going round and round
He broke it down finally found out
That only God can save him now

Save me now, please save me now
(And the boy said)
Save me now, please save me now
(And the boy said)
I'm on my knees, down on the floor
You're the One I need, oh Lord
Just save me now

I heard the story many times before, still I'm wondering
How in the world did I get here, and what am I doing
Took the ring and acted like I do, without the ceremony
Now I got three little ones and I'm hurting and I'm
lonely
So threw away my dreams when I left school, now I'm
22
Never should've choose him over You

Save me now, please save me now
(Save me now)
Save me now, please save me now
(I'm on my knees, oh Lord)
I'm on my knees, down on the floor
(You're the only One)
You're the One I need, oh Lord
(Oh Lord please save me)
Oh Lord, please save me now

Save me now

Take me away I don't wanna stay here
I wanna go back to the beginning
To that place where love is forever
Me and You together
Lord will You? Please

Save me now, please save me now
Save me now, please save me now
I'm on my knees, down on the floor
You're the One I need, oh Lord

Save me now, please save me now
Save me now, please save me now
I want You Lord and I need You Lord
And finally found only Lord can save me

Save me
(And the boy said)
Save me
(And the girl said)
