He came to be, so meek and mild, a savior yet and  
humble child  
A holy Lamb, precious lamb, they called him Lamb of  
God  
It was the greatest demonstration of love that the world  
would ever know  
God so love the world that he gave his only begotten  
son  
And this son came as a lamb; he would become a  
conquering King  
But he came as a Lamb; He would be king of kings  
And Lord of Lords but he came as a Lamb, and he  
came for you  
People came from miles around, all to worship and bow  
down  
Ohhh the privilege, the privilege it was, they called him  
Lamb of God.  
Sheppard's came seeking this lamb, and their lives will  
never be the same  
The angelic host formed a choir, and sang from the  
heavenlies  
Wise men were wise enough to seek and bow down to  
this Lamb  
He came to seek and to save the lost; he came  
because he loves you  
It's great to know that God so loved the world  
But more important to know, that God loves you  
Now here it is, many years have passed  
They say his time has come and passed  
Ohhhh But I'm so glad, that it remains  
You're still the Lamb of God  
John looked over the horizon and saw one walking as  
no man walked  
And he said behold the; Lamb of God who takes away  
the sins of the world  
He's still saving, he's still redeeming, and he's still  
there for you today  
Receive him, say yes to him, and he will change your  
life  
Time can not change him and ages do not time him,  
he's still the Lamb of God

Still holy, still righteous, still the Lamb of God  
Still savior, still redeemer, still the Lamb of God  
Still alpha, still omega, still the Lamb of God  
Still lovely, still healing, still the Lamb of God  
Still holy, still righteous, still the Lamb of God  
Still savior, still redeemer, still the Lamb of God  
Still saving, still loving, still the Lamb of God  
Still the Lamb of God, still the Lamb of God
