'Tis the Season, yeah
To see the children laughin'
Everybody should be dancin'
Come on clap your hands
Cos 'Tis the Season, yeah

For us to all be grateful
It's time to be thankful
Let's do it while we're able
'Tis the Season, yeah

To sing some Christmas songs
But you gotta sing along
Even if you sing it wrong
'Tis the Season

Everybody's talkin' 'bout gifts
But it ain't their birthday
Give first, then receive
That's the way to celebrate
Best season of the year
So happy to be here
I wish the whole wide world
Could feel this joy I feel

When it's time for pies and cake
All the food that you can take
Let's eat for goodness sake
'Tis the Season, yeah

To do some Christmas shopping
If you broke then window shopping
Get up, Get up, Do something
Cos 'Tis the Season, yeah

Now you can't forget those gifts
For honey, papa and them kids
Aunts, uncles and your cousins
'Tis the Season

Everybody's talkin' 'bout gifts
But it ain't their birthday

Give first, then receive
That's the way to celebrate
Best season of the year
So happy to be here
I wish the whole wide world
Could feel this joy I feel

Everybody should be giving (giving yeah)
Everybody should be loving (loving yeah)
Everybody should be smiling
Come on, Come on, Come on, Come on

Everybody make a wish list
Of all you want for Christmas
I hope so bad you get it

Hey, Hey
(Merry Christmas Everybody)
Oh yeah,
Yeah, Yeah, Yeah,
(Merry Christmas Everybody)

'Tis the Season, yeah
To see the children laughin'
Everybody should be dancin'
Come on clap your hands
Cos 'Tis the Season, yeah

To do some Christmas shopping
If you broke then window shopping
Get up, Get up, Do something
Cos 'Tis the Season, yeah
