Tell me what you see when I pass by
Shadow, a cloud, or a line in the sky
Am I getting you wrong or am I getting you right?
Well, all I can take is one, one step at a time

Look at me
I'm trying
Everyday
I fall down
Make mistakes
Get back up
Try again
Next time you see me

I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking

Some people say walking takes too long
But I say with walking you can't go wrong
Why should you rush away through life?
You won't get very far running all the time

Look at me
I'm trying

Everyday
I fall down
Make mistakes
Get back up
Try again
Next time you see me

I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking

Why does my life say about me
Can't anyone see
Does it show I rock with the greatest?

I can't get back the time I spent
Use the rest of it to show the world how I made it

I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
I'm walking, I'm walking, I'm walking
