Once upon a time there was a cotton candy slut
Who would've been a beauty if she'd kept her mouth
shut
Polyester princess getting pretty plenty play
Tore up from the floor up man and this is what she'd
say

I'm so sexy, I'm so sorry
Bargain basement Mata Hari
My proportions epidemic
Just a bimbo with a gimmick

Has a man she keeps on hand for when she needs a fix
Every time he kisses her he tastes like other chicks
That's all fine cause she don't mind and if he isn't true
Plenty more where he came from and they all want her
too

She's so super, she's so swell
Cutthroat cut-rate Jezebel
Noone's drone, nobody's fool
Grows her own and owns her cool

Boys'll come and boys'll go, it doesn't bother her
Last names are a mystery, first names are a blur
Maybe when she's done with sin she'll settle down at
last
Says why d'they call it slow gin when it works so damn
fast?

She's a starlet, she's a swan
Discount whore of Babylon
Tear your heart out by the roots
Magdalene in go-go boots
Holy Mary pray for us
Holy Mary pray for us
(I'm so sexy, I'm so sorry!)
Mata Hari pray for us
