Far from day, far from night  
Out of time, out of sight  
In between earth and sea  
We shall fly, follow me

Dry the rain, warm the snow  
Where the winds never go  
Follow me, follow me, follow me  
To a cave by a sapphire shore

Where we'll walk through an emerald door  
And for thousands of breathless evermores  
My life you shall be, only you, only I

World farewell, world goodbye  
To our home 'neath the sea  
We shall fly, follow me  
Follow me, follow me, follow me
