When you heard those chicks talking 'bout your best
friend,
did you tell them that it hurts to offend?
So much is wasting my time,
we travel on the animal line.
But harmony is everlasting,
filling our brains with plastic flowers!
I could sleep for hours.

I was tried by the man on judgment day.
I told him to get the hell out of my way,
So much is wasting my time.
We travel on the animal line.
But...harmony is everlasting,
filling my brain with flowers!
Can you feel time? It's passing!
Hours ahead lay far behind us...
Please stay, if you don't mind us
