As I rode out one winter's day  
Through the silver arches  
I spied a lady in a silver dress  
And I heard her whisper

We got a plan and we're gonna do bad  
We got a plan and we're gonna do bad  
We got a plan, gonna make them mad

As I rode down to the dock one day  
At the river's edge  
I spied a ship filled with young girls  
Who impart what they said

We got a plan and we're gonna do bad  
We got a plan and we're gonna do bad  
We got a plan, gonna make them mad

As I rode out through the wharf one day  
I spied a golden apple  
The darkest prophet appeared to me  
And said there would be trouble

'Cause we've been aching for oh so long  
And we've been trying for oh so long  
And we've been aching for oh so long

We got a plan and we're gonna do bad  
We got a plan and we're gonna do bad  
We got a plan, gonna make them mad
