Come on now, come-a come-a come-a  
Come on now, come-a come-a come-a

Come to me, I love you only  
Come to me, I'm so lonely  
Come to me, I love you only, baby  
Well, you said you'll be comin' whenever I need you  
& you can bet I'm gonna please you  
So come runnin', 'cause now I need you baby  
Hey hey, you know I miss you baby

Well, come when the lights are burnin' low  
I wanna hear you knock on my door  
Tell me baby that you love me so  
Love me, love me, love me till you care no more  
Come to me, oh I miss you  
Come to me, I wanna kiss you  
Come to me, oh I miss you baby  
Hey hey, you know I miss you baby

(instrumental)

(repeat previous verse)

You that I, I miss you baby  
Come on, come on  
...& fade
