(Let's forgive & forget)

Why is it lovers always quarrel?
Why is it lovers always fight?
Why is it lovers always argue
When they know it isn't right?

CHORUS:

I know that you're my lover
& I also know that we love each other
For as long as we live
We'll have no regrets
If we only forgive & forget (forgive & forget)

I know that sometimes I may be wrong, this is true
But by the same token, this is also true of you

(chorus)

Someone who doesn't make mistakes is impossible to
find
That's why to err is human, but to forgive is divine

Quarreling can only mean breaking up
After all is said & done
But if we stop & try making up
It can be so much fun

(chorus)

(repeat & fade):
Forgive & forget (forgive & forget)
