You've done it again
You lied & cheated & now you want me to open my
heart so you can come back in
But this time I won't (this time I won't)
This time you're stuck (this time you're stuck)
Goodbye & good luck

Too many times I've been forgiving
& then you turned around & made me wish I wasn't
living
You told me that you'd changed
But I found you were the same

(instrumental)

I did everything I could to make this romance turn out
good
But you used me; now you'll lose me
I don't wanna hear what you've got to say
I said goodbye, so be on your merry way (goodbye)
You won't talk your way back in (goodbye)
This time you're stuck (this time you're stuck)
Goodbye & good luck (goodbye & good luck)
Be on your merry way (goodbye & good luck)
Find another girl to play (goodbye & good luck)
I don't wanna hear what you've got to say (goodbye &
good luck)
Goodbye & good luck (goodbye & good luck)
Somethin' tells me you're stuck (goodbye & good luck)
Goodbye & good luck (goodbye & good luck)
Goodbye & good luck (goodbye & good luck)
Now I know you're sorry you're stuck (goodbye & good
luck)
But I'm gonna say goodbye (goodbye & good luck)
...& fade
