CHORUS:

(x2):

He's my Honey Boy, my ever-lovin' Honey Boy
Mmm hmm hmm mmm, mmm hmm hmm mmm

Sweet kisses are his claim to fame
In my heart he'll always remain
True fine lovin' is his game
Honey Boy is his name
He's sugar, he's spice, he's everything that's nice

(chorus)

I'd never have another love this time
Than all the gold in the Fort Knox mine
My whole life he'll inspire
Loving him is my desire
Always near when I need him most
That's why I just love to boast

(chorus)

If you see me in my prettiest dress
Then for him I look my best
Nobody can take his love from me
Because he has lasting loyalty
He's sugar, he's spice, he's everything that's nice

(chorus)

(over backup singing of chorus):
He's sugar, he's spice, he's everything that's nice
Mmm hmm, mmm hmm, Honey Boy, Honey Boy
Sugar & spice, mmm hmm, mmm, hmm
Honey Boy, Honey Boy
...& fade
