(Bo bo do, wo bo bo do, wo bo bo do)  
Every day that passes by  
I think about the new love you've found  
& my eyes cloud up & cry  
'Cause I want you 'round, I want you 'round

(Bo bo do)  
I spend my saddest moments  
After the sun goes down  
That's when my heart starts aching  
'Cause I want you 'round, I want you 'round

(Bo bo do, wo bo bo do, wo bo bo do, bo bo do)  
No matter where I travel  
In the country or a town  
My lips call out your name  
'Cause I want you 'round, I want you 'round  
Baby, I want you 'round, oh yeah, I want you 'round  
Mm hmm, I want you 'round  
...& fade
