(Ooo baby, I'm learning, hey hey)

Like a baby crawls before it walks  
I'm learning what love is  
Like it cries before it talks  
I'm learning what love is  
It won't be long before I catch on  
My teacher does his job well done  
Oh I never thought learning could be so much fun  
Hmm hmm hmm

Like amendment flying to the moon  
I'm just learning what love is  
Like a flower my heart blooms  
I'm learning what love is  
From what I can see, the way you're teaching me  
I'd rather you show me to the end  
So I can keep on learning & we'll remain friends  
Ooo ooo ooo

(Ooo baby, I'm learning, hey hey)

(1st 4 lines of verse 1, then last 4 lines of verse 2)

Keep on teaching me & buildin' up my hopes  
I'm learning what love is  
Pretty soon I'll know the ropes  
I'm just learning what love is  
Learning, I'm learning, keep showin' me the way  
...& fade
