(I've been a fool; forgive this fool)  
Where have you been, my long lost friend?  
Somehow I knew one day you'd come back again  
Could it be you've dropped by to tell another lie?  
Or could it be you wanna tell me you're sorry?

(I've been a fool; forgive this fool)  
If you thought you could walk in here  
Like you walked out, then you're the fool of the year  
So please don't waste my time; you are no longer mine  
& if I'm hurting you, well baby, I'm sorry

(Please, please, take me back again  
For I've always loved you & will till the end of time)  
Yes, yes, I've heard that before  
But my heart can't hear you anymore

(repeat & fade):  
(I'm sorry, dear, so sorry, dear)
