Ooo makes you feel, I say love, ooo  
Makes you feel so fine now (feel so fine)

You know love makes the world go round  
& love, babe, makes the seesaw go up & down  
It makes the trees grow tall  
& the most important thing of all  
It makes a boy & girl say they feel so fine now (feel so fine)

Without love, the flowers wouldn't grow in spring  
& without spring, yeah, the birdies just couldn't sing,  
yeah  
Everybody needs love just to watch the twinklin' stars  
above  
It makes a boy & girl say they feel so fine now (feel so fine)  
Yeah, talkin' about love, mmm

(instrumental)

Everybody needs love just to watch the twinklin' stars  
above  
It makes a boy & girl say they feel so fine now (feel so fine)  
Yeah, talkin' about love, mmm

Ooo love makes you cry now  
That goes for Billy, Sherry, Bobby, & Marshall  
& baby, you & I  
Oh I can prove to you  
That these facts of love are so true  
It makes a boy & girl, ooo I said a boy & girl  
Don't you know a boy & girl say they feel so fine now  
(feel so fine)

Love, love, sweet love is so good now  
I need love, you need love, everybody needs love  
sometime  
...& fade
