Some other girls

Are filling your head with jive

So, now you're acting like

You don't know I'm alive

Love, you better wake up

Yeah, before we break up

And you lose me, little me

The one who really loves you

Suzie, only wants you until the day-yeah

(Only wants you until the day)

That she'll again have her true love

Who's far, far, away-yeah

(Girl to love who's far away)

(Wake-up)

So, love you better wake up

Yeah, before we break up

And you lose me, little me

The one who really loves you

(I really love you, yeah-yeah-yeah)

Ginny, only wants you, 'cause

She thinks she has to have everyone

Minnie, only wants you for she think

That hurting me would be fun

Oh, ooh, ooh

Silly Lilly, you know she doesn't really

Want you with a love that's true

In fact, there's no other girl  
In this whole wide world  
Who can love you like I do

They get tired of you  
Then they're gonna put ya down  
(Put you down, put you down)  
They ain't gonna want you hangin' around  
(Hangin' around, hangin' around)

(Wakeup)  
So, love you better wake up  
Yeah, before we break up  
And you lose me, little me  
The one who really loves you  
(I really love you, yeah-yeah-yeah)

I-I-I do (yeah-yeah)  
Really, really, love you  
(I really love you, yeah-yeah-yeah)  
Oh-oh, oh-oh, oh-oh, ooh-ooh (yeah-yeah)

Oh-oh, oh-oh, oh-oh  
(I really love you)  
Yeah, I really really love you  
(Yeah-yeah-yeah)
