(spoken): Hey boy, I've got some talk for you.

Now I don't mind you tellin' everyone how much I love
you
But to hear you say, nobody ever guess you love me
too
You make our love seem like a one-sided thing
With me just a puppet that you dangle on a string
So I'm warning you (warning you)

You'd better stop (stop it) takin' me for granted
Quit it (quit it) takin' me for granted
Boy, stop it (stop it) takin' me for granted
Or you & I are through, we're through

Now if I knew you didn't care, I'd goodbye to you
But you'd better change before it's too late
& stop (stop) stop (stop) takin' me for granted
(Takin' me for granted)

(Boy, you'd better stop takin' that girl for granted) (x2)
I'm not the kind of girl you can push around
Or treat me mean & put me down
So I'm warning you (warning you)

You'd better stop (stop it) takin' me for granted
Quit it (quit it) takin' me for granted
Come on & stop it (stop it) takin' me for granted
Quit it (quit it) takin' me for granted
...& fade
