Some other girls are filling your head with jive
So now you're acting like you don't know that I'm alive
Love, you better wake up, yeah, before we break up
And you lose me, look to me, the one who really loves
you

Susie only wants you until the day
That she'll again have her true love whose far, far
away
So love, you better wake up, yeah, before we break up
And you lose me, look to me, the one who really loves
you

Jenny only wants you 'cause she thinks she has to have
everyone
Minnie only wants you 'cause she think that hurting me
would be fun
Silly Lilly, you know she doesn't really want you with a
love that's true
In fact, there's no other girl in this whole wide world
Who can love you like I do

They get tired of you and they're gonna put you down
Then they ain't gonna want you hanging around
So love, you better wake up, yeah, before we break up
And you lose me, look to me, the one who really loves
you

I do really, really love you
