Time after time, I tell myself  
That I'm so lucky to be loving you  
So lucky to be the one you run to see  
When the evening of the day, the day is through

& I only knew what I know  
Though passing years, they're gonna show  
You kept our love so young, so new  
& oh time, time after time, you're gonna hear me  
I'm gonna say, I'm gonna say  
That I'm so lucky to be loved, loving you

I wanna do it one more time now, yeah  
I wanna say time, time  
Time after time you're gonna hear me  
I'm gonna say, I'm gonna say  
That I'm so lucky to be love-ving  
I'm so lucky to be loving you  
I'm so very lucky to be loving a guy like you, yeah
