Well, I've got two lovers

And I ain't ashamed

Two lovers

And I love them both the same

Let me tell you about my first lover

He's sweet and kind

And he's mine all mine

He treats me good

Like a lover should

And makes me love him

I really, really, lov-ove part of him

Ho-ho-ho (ho-ho) I love him so

(Love him so)

And I'll do everything I can

To let him know

But I've got two lovers

And I ain't ashamed

Two lovers

And I love them both the same

Let me tell you 'bout my other lover

Well, ya know he treats me bad

Makes me sad, makes me cry

But still I can't deny that I love him

I really, really, lov-ove part of him

Oh-oh-oooh (oh-oh) I love him so

(Love him so)

And I'll do everything I can
To let him know

Darling, well
Don't you know that I can tell?
Whenever, I look at you-ooo
That you think that I'm untrue
'Cause I say that I love two
But I really, really, do

'Cause you're a split-personality
(Split-personality)
And in reality (and in reality)
Both of them are you
(They both are you)
We can't change (they're you)

Well, I've got two lovers
And I ain't ashamed
Two lovers
And I love them both the same

FADES

Two lovers and I ain't ashamed.
