The night is so clear & there's a moon above  
Kiss me so sweetly, & I'm in love  
So tell me, tell me, baby (tell me, tell me, baby)  
What you gonna do (what you gonna do)  
When your lover comes back? (when your lover comes  
back)  
When your lover comes back (when your lover comes  
back)

It started as a plaything, didn't mean no harm  
But now it's not a plaything when you take me in your  
arms  
So tell me, tell me, baby (tell me, tell me, baby)  
What you gonna do (what you gonna do)  
When your lover comes back? (when your lover comes  
back)  
When your lover comes back (when your lover comes  
back)

We had a quarrel; you left me so blue  
I was just being kind to you; now I need you (I need  
you)  
I need you (I need you) so bad

(repeat verse 2)

(repeat title & fade)
