You don't have to be so shy  
I know that you want me just by the look in your eye  
Why don't you let yourself go? Let yourself go

You don't have to hold it back  
I know that you want me just by the way that you act  
Why don't you let yourself go? Let yourself go

(x2):

You don't have to be so shy  
Come on & do what I want you to do  
Come on, come on  
You don't have to hold it back  
I know you'd like nothin' better  
Than for us to get together  
You don't have to be afraid  
I'm givin' you the green light tellin' you've got it made  
Come on & let yourself go? Let yourself go

Boy, you know you've got it made  
I'm givin' you the green light  
You've got it made  
...& fade
