There's an orchestra of orchas,
All of them whaling away.
Choruses of popoises,
Echoing down in the bay.
There's a great big seal of approval,
Flocks of penguins at play.
Squeaking and gabbing, shrieking and blabbing,
They've got so much to say.
We're all singing the same sweet song,
Some sing treble and some sing bass.
We're all swimming in one big pond,
As we go spinning through space.
All together,
All together.
All together,
All together.
We're all making one joyful noise,
As we go spinning through space.
We're all walking the same green Earth,
We're all sharing a special place.
We're all rowing the same big boat,
As we go spinning through space.
All together,
All together.
All together, hey, hey, hey,
All together, hey together.
We're all making one joyful noise,
As we go spinning through space.
Row, row, row your boat,
Gently down the stream.
Merrily, merrily, merrily, merrily,
Life is but a dream.
We're all singing the same sweet song, (Row, row, row
your boat,)
Some sing treble and some sing bass. (Gently down
the stream.)
We're all swimming in one big pond, (Merrily, merrily,
merrily, merrily,)
As we go spinning through space. (Life is but a dream.)
All together, now, now, now,
All together.
All together, all together,

All together.
We're all making one joyful noise,
As we go spinning, we go a spinning.
Spin, spin, spinning, we go spinning,
All together, spinning through space.
