I picked you out from 20 million birds.
Instant friends, it only took 4 words.
I said 'Yo!'
I said 'Woah!'
I said 'Play?'
I said 'Hey!'
So began a splendid partnership.
And when i think about it I flip, flip.
I read you and you read me, flip, flip.
It's like telepathy.
Hey, come a come a come on,
Come a come a come on let's jump the moon.
We're so much in tune i want to flip.
Flip me 5, flip me 10,
Then 5, then 10 again.
There they were a swimming in a pack,
They swam away, we called, and they swam back.
We said 'Play!'
They said.
We said 'Hey!'
They said.
Something clicked and that was just the tip.
And when i think about it i flip, flip.
We read them and they read us, flip, flip.
It's just miraculous.
Hey come a come a come on,
Come a come on let's jump the moon.
We so much in tune i want to flip, flip.
Flip me 5, flip me 10,
Flip, flip.
Then 5, then 10 again,
Flip, flip.
Big splash,
Flip, flip,
We're all wet,
Flip me some flippers,
Flip, flip.
