Friends forever, do de de de de de do
Friends forever, da do do do do do do
That's what we are! Friends 'till the end.
Let's stick together when friends need a hand.

When I need a hand,
your always there for me!
Your with me when I'm playin' games,
or when I scrape my knee. OUCH!

Friends forever, do de de de de de do
Friends forever, da do do do do do do
That's what we are! Friends 'till the end.
Let's stick together when friends need a hand.

When I get loney,
I call you on the phone.
Or when your unhappy.
I'll come over to your home. HI!

Because we're...
Friends forever, do de de de de de do
Friends forever, da do do do do do do
That's what we are! Friends 'till the end.
Let's stick together when friends need a hand.

Yeah!
