Hello!

We're twins, we're twins, yes sir

I am me she is she

Except when I pretend I'm her

And when we switch

You can't tell which is which

You don't know who you're talking to

Because we're identical, 'dential, 'dential, identical
twins!

We look a lot alike

But we are not alike

I'm loud!...I'm quiet

She's serious...she's a riot

We're totally, totally

Different, different

Identical twins!

We read different stories

We watch different shows

In our slightly different colored hair

We wear different bows

We dance to different music

We laugh at different jokes

Gosh, gosh

It's like we're...two different folks

Though we appear alike

We're nowhere near alike

She's sweet...she's dossy

What's that mean? You're bossy

Says you...it's true

Is not!...Is too!

We're totally, totally

Different, different

Identical twins!

I am not a xerox

I am not a clone

A duplicate, a copycat
A second scoop...on the ice cream cone

Friends, pals, partners, chums
But we're marching to different drums

We look a lot alike
But we are not alike
Two...two, totally...totally, utterly...utterly
Opposite...opposite, totally...totally, different...different
Identical twins!

Twins, twins...etc.

Two...two, totally...opposite, utterly...different
Opposite...utterly, totally...opposite, different...totally
Identical twins!

Identical twins!
Deedle-leedle-lee, dum!
