What is the sound of one hand clapping?  
What is the color of clear?  
Is there a sound when a tree hits the ground,  
If no one is there to hear?  
We have questions, we need answers,  
We are on a mighty quest.  
We need your help,  
What would you suggest?  
Listen  
Chorus:  
Let your mind meander,  
Take a pause to ponder.  
It's a mind expander,  
Let your wonder wander.  
Thoughts are rivers, let yours flow,  
Hunches are breezes, let yours blow.  
Clues are everywhere, everything counts,  
Minds are trampolines, let yours bounce!  
Chorus  
I think she's got it.  
Run the problem backwards, turn the problem round,  
Tip the problem over, turn it upside down.  
Take another gander out into the yonder,  
Let your mind meander, let your wonder wander.  
If you have a problem that has no solution,  
It's possible you do not have a problem.  
If you have a problem that has no solution,  
It's possible you do not have a problem?  
Exactly!  
We have questions we need answers.  
Of course.  
I don't think we're getting through.  
Not to worry, not to worry,  
I'm right there with you.  
All you've got to do is,  
Chorus  
Run the problem backwards, turn the problem round,  
Tip the problem over, turn it upside down.  
Take another gander out into the yonder,  
Let your mind meander, let your wonder wander.  
Hmmmmmmmmmm, hmmmmmmmmmmmmmmmm,  
Hmmmmmmmmmmmm, hmmmmmmmmmmmmmmmm.
