Once in a while for a change of pace,
Modify your style. Try on a new face.
There's a new toy in town, behind the big screen.
Take a short walk around, and you'll see what I mean.

Chorus:

Makeover.

Can't refuse the chance to use the makeover machine.

Makeover Machine

It's the latest and the greatest! Makeover machine.

Anything goes. Different hair. New clothes.
Rearranging and changing from our head to your toes.
Look at me. Look at you.
You look cool. You too!
Keep it going, never knowing, who is gonna be who!

Chorus

Twist it, trim it, sky's the limit! makeover...machine.

When you want to be different from the rest,
you gotta put away the screen. Put yourself to the test.
Cause the best look of all is the one that's your own.
Hang the others on the wall. Leave your true face
alone.

Makeover. Can't refuse the chance to use the
makeover...machine.

Makeover. Can't refuse the chance to use the
makeover...machine.

Yeah!
