On a day like today I want to show you a place  
That's always under sunny skies  
All the things that we'll see, I can guarantee  
Time will seem to fly  
We can hardly wait, senses will be reelin'  
When we go up and down  
Up, down and around

Chorus:  
Meet you at the mall  
There's no time to waste  
I'm so glad you called

Meet you at the mall  
An unconditional wonderful spectacle  
Meet you at the mall  
There's a merry-go-round, teddy bears and games  
And clothes that are to die for  
And schools of fishes pass you by  
As they play on the second floor

Is it really real? What a happy feelin'  
When we go up and down  
Up, down and around

Chorus

It's a fantasy, it's make believe  
It's come let's see just what can happen  
It's mystery, it's feed me feed me  
Ooh, it's up and won  
Up, down and around

Chorus
