Long as there's pizza and soda pop,
We'll keep playing games and never stop.
Stick in a fresh CD and crank it up.
Let's stay awake until the sun comes up.

We're all still going strong, nobody's faded.
We always knew that sleep was over-rated.
Without a doubt, turning in is out.
Cause there are still some boys we haven't talked about.

Chorus:

We're pullin' pullin' pullin' and all nighter.
If grown ups can do it, there can't be that much to it.
We're pullin' pullin' pullin' an all nighter.
Let's stay up all night, until the morning light.
We're pullin' pullin' pullin' an all nighter tonight.
It's gonna be a cinch to stay awake.
There's popcorn to pop and corny jokes to make.
And Mom and Dad would really blow a fuse,
If they found out we plan to watch the midnight news.

We'll paint our faces, make up funny names.
We've got a zillion cool video games.
We've got so much to do,
We don't even know when we'll ever want to sleep again.

Chorus

Wouldn't it be fun to get some shut-eye?
Maybe just a wink or forty-two?
Then we will snap back to life, and go all night.
Just like we said we'd do.

Yea, just a little cat nap. Just a dozy-doze, you know?
I'll just rest my eyes guys. Now where did my pillow go?

I admit I could use a snooze after all that dancin' and rappin'.
But promise me you'll wake me up if anything fun should happen.

Let the record show you guys, I could of stayed up,
okay?
But when in Rome, do like the Romans. And the Romans
have all hit the hay.

Wouldn't it be fun to get some shut eye?
Maybe just a wind or forty-two.
Then we will snap back to life, and go all night.
Just like we said we'd d.
We're pullin' pullin' pullin' and all nighter,
Until the sun comes shining through.
