Step right up...enjoy the carnival.  
There's so much here to see.  
With rides and shows and fun, there's just no better  
place to be.  
Rides that rise and fall and spin.  
I'm dizzy.  
Yeah, me too  
Now your tons of fun has just begun.  
And it's all here just for you.

Come ride upon my feris wheel and you can touch the  
sky.  
You'll see the sights from up above and fel like you can  
fly.  
You mean just like a soaring bird?  
That's what most people say.  
You've never riden it?  
Me go up there? No way!

Step right up...enjoy the carnival.  
There's so much here to see.  
With rides and shows and fun, there's just no better  
place to be.  
Crowds of people, lots of noise.  
It's music to my ears.  
Now your tons of fun has just begun.  
The best time you'll have this year.

Round and round the carousel, the horses rise and fall.  
Just strap yourself into the seat, and on your mount  
ride tall.

The race is on, the chase begins, come on, Cal, lead  
the way.  
No, everytime i ride that thing, i get sick for two whole  
days.

All around you'll find souvenirs, as music fills the air.  
Just believe when we say, there's no place like this  
anywhere.

Sit down, I'll tell your fortune from my shiny ball.

I predict the summer will come just before the fall.  
HUH?  
Next week your eyes will still be blue, your faces pure  
and sweet.  
But anyone would know that.  
Right? Let's get something to eat.

Step right up...enjoy the carnival.  
There's so much here to see.  
With rides and shows and fun, there's just no better  
place to be.  
Have some chicken burgers, pommelpop.  
No thanks, I'm gonna pop.  
Now your tons of fun is almost done.  
Let's hope it never stops.
