Mary-Kate, why are you planting that popcorn kernel?  
I'm growing a popcorn tree.  
A popcorn tree? No such thing.  
Wait and see.  
Gee, it grows fast.  
Uh oh, it's going right through the sky-light!  
You see all those kernels on the branches?  
Yeah.  
You notice it's a hot sunny day.  
Uh huh.  
Cool.  
Look at all the popcorn flying through the air.

Weeeeeeeeeeeeeeeee.  
We grew a popcorn tree.  
YAY.  
Ashley, what are you doing with that butter?  
Planting a melted butter bush.  
Good answer.
