We've got cookies to make, we've got carols to sing
If we type while we bake we'll be done before Spring
Do we have time to buy Christmas dresses
Should we try to stuff the stockings, roast a ham and
be in bed by ten?

Chorus:

There's too much to do
What can we say?
With Christmas only one day away
We're totally crazed
Can't you see we've got too much to do
Too much to do

We thought we heard some jingle bells but it was just a
fax
That's what happens when your absolutely frazzled to
the max
We've got mittens to knit, we've got hats to crochet
Toboggans to ride, Christmas music to play
Does anyone have a nose? Our snowman needs one i
suppose
Please phone us, clone us, lend a hand, don't you
understand?

Chorus:

There's too much to do
What can we say?
With Christmas only one day away
We're totally crazed
Can't you see we've got too much to do

Yes we've gotta find time to make egg nog and punch
And Grandmother's holiday strudle for lunch

Yikes

No way, no how, no way

Chorus:

There's too much to do
What can we say?
With Christmas only one day away

We're totally crazed
Can't you see we've got too much to do

There's too much to do
And too litte time
We're sisters, we're partners, we'll solve any crime
Here's a no-brainer
What's your first clue?
We've got too much to do
Too much
Too much to do
