A prima ballerina
that's what I want to be
when I dance and close my eyes
this is what I see

white feathers
princess crowns
satin shoes
and gorgeous gowns
I'll be cinderella
and you can be a queen
in the spotlight it's pure magic
dancing your dreams

to be a ballerina
takes more than I can say
let's go ask someone who knows
all about ballet

white feathers
princess crowns
satin shoes
and gorgeous gowns
spin on a snowflake
or reach across moonbeams
in the spotlight it's pure magic
dancing your dreams

new york is the greatest place
there is so much to see
broadway has the brightest lights
there's miss liberty
king kong climbed the empire state
but still is the place for me
it's at lincoln center where I want to be

white feathers
princess gowns
satin shoes
and gorgeous gowns
bright as the starlight
or that's just how it seems

in the spotlight it's pure magic
dancing your dreams
