I love it (do you need it?)
gotta have it (how much?)
four weeks allowance (do you still love it?)
I don't know. decisions, dicisions.
when you're stylin on allowance, it's gonna
be tough
cause in a mall this big, ya know there's so
much stuff

two of these (four of those)
for your fingers (for your toes)
fuzzy sweaters (soft and pale)
stuff on sale!
decisions, decisions (decisions ooh)

we were window shoppin now there's no
time to lose
which one's the right one, let's model them
and choose
in a fashion show strut your stuff on the
runway then stike a pose
clothes so cool, were em in a fun way, give
em attitude

ski clothes, swim cothes, retro grunge
school and gym clothes, time for lunch?
coats and hats, a party dress
which one do ypu like the best? which one
do you like the best?

I love this vest!
someone make a fashion arrest!
when you've checked out the options, and
you've still got the urge
remember now and then a girl's gotta splurge

I love it (do you need it?)
gotta have it (how much?)
four weeks allowance (do ya still love it?)
I don't know
decisions, dscisions
