I don't know about you but I'm not though
cause when we're wrinkled and gray
I hope there's still a kid in you, who'll want to
come out and play

what is this gadget in my hand? what is it
for?
it's not my imagination, I can see a dinosaur
ooh, look at the pretty teddy bear, gotta hug
that bear
we're in a place that brings together, toys
you'll treasure forever
everything is here and waiting, no time for
hesitating

chorus

when I grow up, I wanna be a kid
look at all the really cool things
a kid can get into, ooh!
when I grow up, I wanna be a kid
I wanna have some fun and stay forever
young

this fits so easy in my hand
it's a perfect size
I wanna see that shiny tractor
it depends on what your after

I gotta go see the kitchen store
it's state of the art
every thing is there for baking, boriling,
boriling, oiling, shaking
this paradise of toys just might be better than
boys.

chorus

everything is here and waoting, it's time for
celebrating

chorus

everything
