"Where Do You Want To Go?"

Visit "[Where Do You Want To Go?](#)" on MotoLyrics.com

where do you want to fly now? you're in space
where do you want to dream now? you're in heaven
where do you want to come down?
where do you want to get high?
where do you want to go to go?
where do you want to go my friend?
where do you want to be if it's not here?
where do you want to see if it's not there?
where do you want to get off?
where do you want to get on?
where do you want to go to go?
where do you want to go to go?
i can live with the consequences i can go everywhere
where do you want to go to go?
where do you want to come down?
to get high?
where do you want to go?
where do you want to go?
where do you want to go?
where do you want to go?
where do you want to go?
