Put your hands together  
We gonna take prayers to a new level here  
You ready?  
Let me see you dance  
Let me see you praise Him  
All try MaryMary, c'mon

Whatever you need for Him to do  
He will do it if you give Him the chance  
And I, I'm telling he's already proved  
That he can do anything so give Him the chance

Now there's been so many times I called on him  
Regardless of the circumstance, He was there  
So now I devoted my life to serving Him  
It's me for Him 'cause all the time He was there for me

It don't matter what the need  
No there's no limit, I'll give you anything  
All I want is you to trust me  
Through my love I'll set you free

He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"  
He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"

Now it is a must I testify and  
Let everybody know I live because of You  
And they can have the same life that I choose  
And when they ask me how I'll say, "It's because of  
You"

It don't matter what the need  
No there's no limit, I'll give you anything  
All I want is you to trust me  
Through my love I'll set you free

He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"  
He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"

Whatever you want from me  
What else can I do to make you see  
To prove to you I'm everything that you'll ever need  
What else do I have to say to show you more clearly  
That I am, that I am, the beginning and the end  
Yes I'm your everything, ohh

You don't know God is the truth, He is  
And everything that He said He'll do, He did  
New whips, new cribs, a few hits  
I'm blessed with ice, I'm blessed with life  
On top of all that, yo I'm blessed with Christ  
So his heart must be as big as Texas right  
I ain't thinking of the change or thinking of the blames  
Think of the angel, I ain't even thinking the same  
When I think of His name, yo I'm thinking of praise  
Wit Fats and Darkchild so come on now with MaryMary  
ah yeah  
You know then but we talking about Christ  
Get to know him come on?

He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"  
He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"

He said, "I'll go wherever you want Me to go"  
He said, "I'll do whatever you want Me to do"

That is what he said to me  
That is what he said to me  
That is what he said to me
