Hold on, hold on to your faith
No matter what you been through
I know he'll make a way
If you just hang on
Just a little longer
Come on hold, hold, hold on to your faith

I know that you have asked yourself
Will things ever change
And just the other day, I asked the same thing
And the answer is plain
For you and me to see
That all we gotta do is

Hold on, ohh hold on to your faith
No matter what you been through
I know he'll make a way
(Ohh)
If you just hang on
(Hang on)
Just a little longer, come on
(Longer)
Hold, hold, hold on to your faith
(Hold, hold)

Sometimes, sometimes I know
You just feel like running
From all of the problems they keep coming
But I know you won't break under pressure
'Cause You know that God is with 'cha
If you feel me let me hear ya
(Hold on)

Hold on, hold on to your faith
(Hold on, to your faith, yea)
No matter what you been through
(What you been through)
I know he'll make a way
(Ohh yaa yaa)
If you just hang on
(Hang on)
Just a little longer

Come on hold, hold, hold on to your faith
(Hold, hold)

Keep on, keep on, don't ever stop
(Keep on, keep on, don't ever)
It may get hard, don't give up now
(It may get hard, don't give up now)
You've come too far, to turn around
(You've come too far, to turn around)
You're gonna make it some way
(Yea yea)
Somehow just
(You're gonna)

Hold on, hold on to your faith
(Yea yea)
No matter, what you been through
(Don't make, what you been through)
I know he'll make a way
(He'll make a way)
If you just hang on
(Hang on)
Just a little longer
(Yea yea)
Come on hold, hold, hold on to your faith
(Hold, hold, just a little longer)

Hold on, hold on to your faith
(Hold on, yea, yea)
No matter what you been through
(Been through)
I know he'll make a way
(I know, I know)
If you just hang on
(Hang on)
Just a little longer
(Ohh ohh)
Come on hold, hold, hold on to your faith
(Hold, hold, you're gonna)

Hold on, hold on to your faith
(Hold on, to your faith)
No matter what you been through
(No matter what you been through)
I know he'll make a way
(Yes he will)
If you just hang on
(If you hang on you faith)
Just a little longer
(Its gonna be alright)
Come on hold, hold, hold on to your faith

(Yea yea yea)

Hold on, hold to your faith

(Hold on, hold)

No matter what you been through

(Its gonna be okay, no matter what you)

I know he'll make a way

(He'll make a way)

If you just hang on

(Hang on in there)

Just a little longer

(Yea yea yea yea)

Come on hold, hold, hold on to your faith

(Hold on)

Hold on

Just hang on
