I try but sometimes I fail
Now I realize that I need Your help
'Cause I can't make it all by myself
I need You, You, You, You

I should know by now there's no way, no how
I could live my life without You
Still I get caught up in myself
An' talk to You less and less
An' every time that I do
I come right back to You

'Cause after all my mistakes
I know that I have to change
So I put my life in Your hands, oh

I try but sometimes I fail
Now I realize that I need Your help
'Cause I can't make it all by myself
I need You, You, You, You

I wish I could undo some things
That I have done in my past
But I can't erase what's already taken place
So from now on I'll try to do my best

'Cause after all my mistakes
I know that I have to change
So I put my life in Your hands, oh, oh

I try but sometimes I fail
(Try, fail)
Now I realize that I need your help
(I Realize)
'Cause I can't make it all by myself
(Can't make it, by myself)
I need
You
(You)
You
(You)
You

(You, wu)
You
(Wu, wu)

Nobody wants to fall but we fall sometimes
(We fall sometimes)
Then You are there to catch us all every time
(Ooo)
You look beyond all my faults 'cause You know I need
Another chance to get it right
(Oo, oo, oo)
You forgive me 'cause I try
(Oo, oo, ooo)

(I try but sometimes I fail)
I try, hey, hey
Now I realize
(I need Your help)
'Cause I can't make it
(All by myself)
No, no, no
I need
(I need You)
You
(You)
Lord
(You)
You
You

I try
(But sometimes I fail)
Didn't realize
(I need Your help)
'Cause I can't make it
(All by myself)
I need You
(I need You)
You
(You)
You
(You)
You
(You)
You

(I try but sometimes I fail)
Over and over, over and over
Now I realize
(I need Your help)
'Cause I can't make it

(All by myself)
By myself
(I need You)
I need
(You)
(You)
I need you
(You)

(I try but sometimes I fail)
I try
But now I realize
(I need Your help)
'Cause I can't make it
(All by myself)
No I can't
Lord
(I need You)
I need You
(You)
(You)
So I need you
(You)

(I try but sometimes I fail)
I try but sometimes I fail
But I realize
(I need Your help)
Without You I can't make it
(All by myself)
No I can't
No
(I need You)
Ho, Lord
(You)
Ho, Lord
(You)
You, You, You
(You)

(I try but sometimes I fail)
Ah, yes
Now I realize that
(I need Your help)
So, I'm callin' on You Jesus
(All by myself)
Yes, I need You
(I need You)
Ooo
(You)
Oh yeah
