I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

I'll take a little time out
Just to think a little while back on everything I've been
through
All my ups 'n' downs would still be ups 'n' downs if, if it
wasn't for you
And oh I can't believe

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

I tried it without you, can't do it without you
Never again will I try, no no
You came and you love me and oh how you loved me
Sometimes I just don't know why, I can't

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

Lord, you mean just the whole world to me
Without you I don't know where I would be

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no

I feel so blessed 'cause you give me your best
Your love is nothing less than incredible

Don't think we have to do it
But you think you gave me all your love, man
No I don't think so, man
Oh had you been so faithful, not that Lord I'm grateful
And your love is so incredible

I can't believe, someone like me, I've done nothing
I feel so blessed, give me your best
Is nothing less than incredible

I can't believe you chose someone like me
When I, I've done nothing to deserve it, no
I feel so blessed 'cause you give me your best
Your love is nothing less than incredible
