Hey Erica and Tina
Can you sing a song about little girls for me? Please

She was just thirteen and I just don't think
That she ever seen her own beauty
She didn't think she'd be anythin'
And that little girl she used to be me

Little girl, little girl
Wonder are you listenin'
Little girl, little girl
Strugglin' with your confidence
Little girl, little girl
God made you so beautiful
Little girl, little girl
I just thought that you should know

Sometimes you feel like you don't fit in
'Cause you don't look like all your other friends
You got your own thing goin' on
Girl you are so unique you are just
The way that God intended for you to be

Little girl, little girl
Wonder are you listenin'
Little girl, little girl
Strugglin' with your confidence
Little girl, little girl
God made you so beautiful
Little girl, little girl
I just thought that you should know

Tell you what you should do when you get up
In the mornin' look yourself in the mirror and say, "I
love me"
Even with all of your flaws and all of your downfalls
Just be your best 'cause to him you already are

Little girl, little girl
Wonder are you listenin'
Little girl, little girl
Strugglin' with your confidence

Little girl, little girl
God made you so beautiful
Little girl, little girl
I just thought that you should know
Little girl, little girl
Wonder are you listenin'
Little girl, little girl
Strugglin' with your confidence
Little girl, little girl
God made you so beautiful
Little girl, little girl
I just thought that you should know

Little girl, little girl
Little girl, little girl
Little girl, little girl
