Ohhh  
Oh ho  
Oh ho yeah  
Oh ho  
I

I'm just ordinary people  
Who found extraordinary love  
Sometimes it's hard to believe  
That God keeps lovin' me so much

There are so many people, I look up to  
Used to tell them I wanna be just like you oh  
Then God took ordinary me  
And gave me a chance  
And everyday I gotta thank Him for where I am

('Coz I'm)  
I'm just ordinary people  
(Said I'm just)  
(Ordinary)  
Who found extraordinary love  
(Who found, oh ho)  
Sometimes, it's hard to believe  
(Sometimes)  
(That God)  
That God keeps, lovin' me so much

I looked in the mirror, I saw average  
You looked down from heaven, you saw a gift  
Still can't figure out why You loved me so  
But that's what makes You God  
I'll never know 'cause

I'm just ordinary people  
(I'm just ordinary people, yes I am)  
Who found extraordinary love  
(Who found extraordinary love)  
Sometimes, it's hard to believe  
(Yeah, yeah, its hard to believe that)  
That God keeps, lovin' me so much  
(Keeps on lovin' me, oh yeah)

I'm just ordinary people  
(Said I'm just, ordinary people)  
Who found extraordinary love  
(Who found, ohhh)  
Sometimes, it's hard to believe  
(Sometimes)  
That God keeps, lovin' me so much  
(That God keeps lovin' me)

Listen to me, I can tell you how it goes  
(How it goes)  
God can take a nobody  
Who no one knows  
(Who, yeah)  
Make 'em more than you ever thought you could be  
(Oh no)  
Ask me how I know  
(He did it for me yeah)

I'm just ordinary people  
(I'm just ordinary people, oh)  
Who found extraordinary love  
(Who found extraordinary love, ya)  
Sometimes, it's hard to believe  
(It's hard, so hard to believe)  
That God keeps, loving me so much  
(He keeps lovin' me so much, ohh)

I'm just ordinary people  
(I'm just, oh yeah yeah)  
Who found extraordinary love  
(Who found extraordinary love, ya)  
Sometimes, it's hard to believe  
(Sometimes, yeah)  
That God keeps, loving me so much  
(God keeps, lovin' me, yeah, hey)
